It is mandatory for all players participating in any level of AITA tournament to have a valid AITA Registration (Renewed upto date). A player not having a valid AITA registration card or a receipt*/e-mail from AITA office (incase registration/renewal process is pending) may not be permitted to participate in AITA tournaments. All Players should complete the registration /renewal formalities well in advance before they apply for or plan to participate in a tournament.

*** Receipt is valid for two months from the date of issue.**

**** Requirements for Organizing a Tournament:**

No tournament can take place at two venues, irrespective of the distance apart.

Courts: A tournament for one age group must have a minimum of **4 courts, having the same surface, at the venue.** However, a Talent series or Championship Series tournament being held over 3 days, may be done on three courts or two lighted courts with a minimum of 380 Lux (12 units) with enough tournament staff to extend the matches into the night.

As far as possible, Talent Series & Championship Series tournaments for only **one age group** (Either Under 12 / 14 / 16) will be held during the week, at the same venue. Depending on the number of courts & clearance by AITA the same restriction will be applicable to SS, NS & Nationals.

Only one National / National Series / Super Series tournament, for any one age group, will be organized during a week. However, there are no restrictions on the number of Championship / Talent Series tournaments being held during a week across the country.

Super Series / National Series / Nationals/ Championship Series (7 days) & Talent Series (7 Days) for **two age groups** may be held during a week at the same venue if the venue has the following minimum requirements.

- Minimum number of 6 courts / 4 floodlit courts, with same surface
- Enough number of Tournament Staff

This number of courts available must be mentioned at the time of applying for a tournament.

Doubles Event for all TS7 / CS7 / SS / NS / Nationals Tournaments are a must Points for which will be counted towards the Rankings. There will be no Doubles event for a three day tournament. For Championship Series doubles event is not a must, it is left up to the organizer to have a doubles event or not. However, if a doubles event is held ranking points will be given.

For SS / NS / Nationals where one event is being held by the Organizers, the players should not be made to play more than two matches, (i.e. One Singles and One Doubles) in a day. Only when a player is playing in two events (Tournament with 2 Events) would a player be required to play 3 matches a day (2 Singles of different events and 1 Doubles).

Fact Sheet of all tournaments should be sent to AITA at least 5 weeks prior to the start of the tournament & it will be displayed on AITA website www.aitatennis.com

Chair Umpires must be provided by the organizers for Semi finals and Finals in TS and CS tournaments and Quarter Finals onwards for SS, NS and Nationals.

**** Tournament Referee:**

An ITF White Badge Official would be mandatory to supervise the Super Series / National Series / Nationals. The name will be decided by AITA and added to the Fact Sheet.

It will be the responsibility of the Tournament Director to announce the name and contact number of the Tournament Referee in the Fact Sheet for all Talent and Championship Series Tournaments.

**** Obligations Binding a Player:**

No player can play two tournaments at different venues during the same tournament week. ie. If you play the qualifying of one tournament you cannot play the Main Draw / Qualifying of another tournament. This is binding for all AITA, ATF and ITF tournaments. However, if a player plays the Main Draw of one tournament he/she can play the Qualifying of the next week's tournament. 2-3 day tournaments, though starting on a Saturday will be considered as a tournament belonging to the next week. This would mean a player playing a 2-3 day tournament cannot play the main draw of another tournament from Monday onwards.

If a tournament has two age groups, **NO** player can play the qualifying of both the age groups. He / She may play the Main Draw of one age group and the Qualifying of the other. If the entry has been

sent for both the age groups & the player is in the qualifying of both the age groups the referee will withdraw the player from the higher age group after the qualifying sign in. In case a player does play both the qualifying events, no points will be given to that player for that tournament.

In a tournament having two age groups a player may be in the Main Draw of one and qualifying of the other. If he does not show up for the qualifying (No Show) he is not permitted to play the Main Draw of that tournament.

A Player would be allowed to partake in 3 events in all, in a Tournament which involves more than one age group. **This would be two Singles Main Draw and One Doubles Main Draw**. A player is not allowed to participate in One Singles and Two Doubles Events.

The **Entry to Doubles event** would be decided on Merit of **Combined Ranking**

A player who is given a walk over / bye in the first round & loses in the second round will be given the points of the first round. This is applicable to the Doubles as well.

For the year 2018 –

Withdrawals must be sent to AITA till Freeze Deadline (1700 Hrs on Thursday before the start of the tournament). Thereafter it must be sent to the referee, whose e-mail & Tel No will be available on the Fact Sheet.

The player must get a confirmation e-mail from AITA that the withdrawal has been received and the acceptance list on the website shows the withdrawal the next working day.

Withdrawal (after withdrawal deadline), irrespective of the reason, will be allowed only twice in a calendar year. Third withdrawal will be penalized as per the penalty schedule as stated below. If a player is in the main draw or qualifying draw at the time of withdrawal (after withdrawal deadline) will be considered as a late withdrawal.

If a player is taking part in Singles and Doubles of a tournament and **concedes** from any event due to any reason, then he will not be permitted to continue in that tournament. e.g. If he is playing Singles and doubles in under 14 and under 16 and decides to concede the doubles in under 16 then he will not be permitted to continue playing the Under 14 and Under 16 Singles of that tournament and his opponent will be given a walk over.
