- a) Formal complaint should be received from a parent of a registered player along with administrative charges of Rs 10,000 per individual complaint against one player. The fee will be refunded if the complaint results in AITA, after its due process, taking a decision to not accept the DOB as provided by the player against whom the complaint is received.
- b) On receipt of the complaint and the administrative charges, the Age Verification Committee will verify all the papers pertaining to the said player. Based on the study, a formal communication / show cause notice would be sent to the concerned player for the player to reply within one week of receipt of the notice.
- c) Simultaneously the parent / player may be advised to get a TW3 bone test conducted from Mahajan Imaging Centre, Delhi, if required.
- d) Based on the reply as well as the results of the TW3 test (if conducted), the Committee would meet again to take a decision and the same would be conveyed to the player.
- e) The decision of the Committee can be appealed against by the player or the parent to the Executive Committee of AITA by depositing an administrative fee of Rs 10,000/-. If the Executive Committee decision is in favour of the player then the fee collected will be refunded.
