

## **AITA Rules & Regulations for Seniors Tournaments - 2022**

- \* The following Regulations apply to all AITA Senior tournaments.
- \* Age Groups – 35+,40+, 45+,50+,55+,60+,65+ age groups are permitted in an AITA/ITF Seniors tournament to be conducted in India.
- \* In any event, minimum of two age group and maximum of five age group in an AITA/ITF Seniors tournament will be allowed to be conducted. Special permission from AITA has to be taken to conduct an event with more than five age groups.
- \* It is left up to the organizers to have a women's tournament along with the Men's event. The Women's tournament can go ahead if there are eight or more players. If not, the organizers are requested to organize a mixed doubles event, as an exhibition match, if they could organize it.
- \* To be eligible to participate in any age category, a player shall have reached the minimum age limit by 31 December of the year in which the competition is held. A player may play in more than one age category and therefore may appear in more than one age category ranking. Accordingly, a player shall, if requested, present his passport or national identity card to the referee prior to the start of the competition.
- \* A player may play in more than one Age Group but, maximum of 02 events.
- \* The above would carry AITA ranking points. An organization may organize events other than above age group but no ranking points will be awarded.
- \* The Managing committee would decide about selection of team but cost of travelling & expenses have to be borne by players themselves.
- \* The ITF ranking points would be converted in the AITA points as multiple of (2). However, ITF ranking points received in other age groups will not be added.
- \* It was ruled that States should allot these tournament to institutions, Clubs, Schools, College with tennis facilities, and not to any individual. The National tournaments can be conducted by the state after allotment by AITA.

The AITA shall process results from all the tournaments on the Circuit and shall issue rankings, on a quarterly basis.

The official published rankings will be calculated on a 52-week rollover system and published on a quarterly basis.
